### ABBY'S CORNER LAUNCH

On what would have been Abby's 17th birthday, we introduced Abby's Corner.

THANK YOU FOR  
YOUR CONTINUED  
SUPPORT!

### MOMENTS FROM OUR LAUNCH

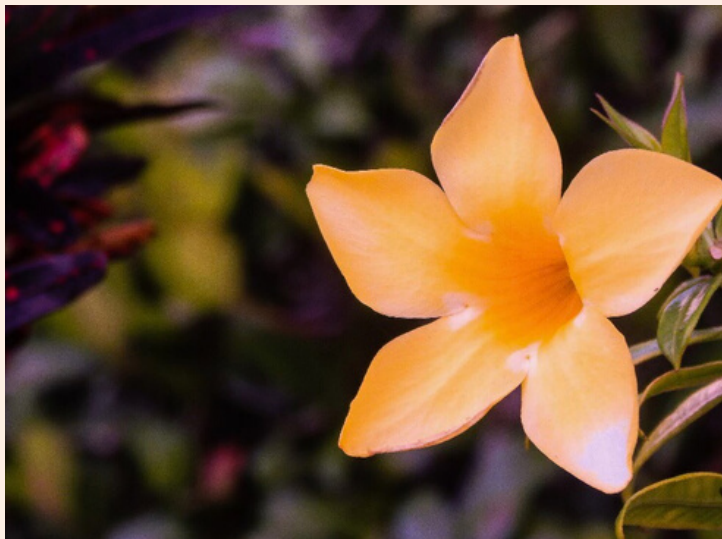

We are incredibly grateful for the support of the Abby's Corner Community thus far.

Our community greeted us with over 60 attendees and over \$8000 raised in support of our launch.

Attendees learned about our charitable and scholarship Initiatives, shared narratives of their favorite memories of or experiences with Abby, and participated in some interactive activities inspired by Abby's personal interests.

### REMEMBERING ABBY

We want to continue to highlight Abby in meaningful ways that allow the Abby's Corner Community to get to know her .

In this issue, we are highlighting her love for photography. She was an avid photographer that loved taking and editing self-portraits and capturing nature as seen on the left.

### THANK YOU DONORS!

Consider setting up a recurring donation to further your support!

### WHAT'S TO COME

To continue our practice of full transparency, we plan on communicating details about each research project that we sponsor due to your generous donations

Going forward, our newsletters will contain information about the latest developments in DIPG research.
